

NATIONAL COAL MINING MUSEUM

Group Travel Packages

Discover an unforgettable journey through the history of coal mining with our exclusive group travel package at the National Coal Mining Museum for England.

Embark on an adventure like no other as you explore our amazing museum, its outstanding collections and amazing spaces both inside and out. Our carefully curated travel package offers an unique experience , perfect for history enthusiasts and culture seekers.

Highlights

- Guided accessible tours – above ground.
- Exclusive tour of our new Time Tunnel experience. A digital and immersive experience that tells the story of coal mining through the decades using the latest technology (fully accessible).
- Outstanding exhibitions
- Workshops offering creative and artistic experiences
- Horse keeper talks
- A range of catering options available
- Our legendary Underground experience is taking a short break from January to March for essential repair work, but will be reopening for tours in April 2025.
